HOPE

WORLD REFUGEE DAY

INTRODUCTION

World Refugee Day is globally observed each year on June 20 to recognise the strength, resilience, and rights of people who have been forced to flee their homes due to conflict, violence, or persecution. In line with the spirit of solidarity and collective responsibility, the Migration, Mobility and Exchanges Unit of the All-Africa Students Union (AASU) proposes a humanitarian donation project, AASU Backpack of Hope, aimed at supporting vulnerable children living in a refugee camp in Uganda, which hosts one of the largest refugee populations in Africa. This initiative seeks to translate solidarity into action by providing practical support and fostering meaningful engagement that promotes dignity, hope, and inclusion for refugee children.

OBJECTIVES

- Provide educational and welfare materials to children in the refugee camp.
- Promote youth-led humanitarian action and social responsibility.
- Strengthen collaboration between student organisations, partners, and local stakeholders supporting refugees.

EXPECTED IMPACT

- Support **50+ refugee children** with essential supplies (minimum target).
- Improve access to basic educational and hygiene materials.
- Increase visibility for youth-led humanitarian action and refugee solidarity.
- Strengthen collaboration between youth organisations, humanitarian stakeholders, and development partners.

DONOR SUPPORT

The success of this initiative relies on the generosity and partnership of donors, organisations, and individuals who believe in protecting and empowering refugee children. Their support will help provide children with essential supplies, restore hope, and create moments of joy and belonging on a day dedicated to recognising their resilience. Contributions of all sizes are valuable and will directly impact the lives of children in the camp.

ABOUT AASU

Established in 1972, the All-Africa Students Union (AASU) represents over 170 million students across Africa. AASU champions quality education, democratic governance, gender equality, and sustainable development. Its strength lies in its diversity, which represents students from myriad backgrounds and beliefs. AASU's core activities are focused on a broad range of issues that affect students, including but not limited to the 7 Strategic Priorities of the Union - Education & Students' Rights, Capacity Building, Gender Advocacy, Environment & Climate Action, Pan-Africanism & African Culture, Migration & Mobility, Democracy & Good Governance. The Union is wholly student-run and student-led, autonomous, representative, and operates according to democratic principles.

In 2000, the UN awarded AASU in recognition of the Union's efforts to advance students' rights and champion the democratisation of education across the African Continent.
